INDEPENDENT AUDITORS' REPORT

To the Shareholders of The Saudi British Bank (a Saudi Joint Stock Company)

We have audited the accompanying consolidated financial statements of The Saudi British Bank (the "Bank") and its subsidiary, which comprise the consolidated statement of financial position as at 31 December 2011, and the consolidated statements of income, comprehensive income, changes in shareholders' equity and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes from 1 to 41. We have not audited note 38, nor the information related to "Basel II Pillar 3 disclosures" cross referenced therein, which is not required to be within the scope of our audit.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Accounting Standards for Financial Institutions issued by the Saudi Arabian Monetary Agency ("SAMA"), International Financial Reporting Standards, the provisions of the Regulations for Companies, the Banking Control Law in the Kingdom of Saudi Arabia and the Bank's Articles of Association. In addition, management is responsible for such internal controls as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with generally accepted auditing standards in the Kingdom of Saudi Arabia and International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether these consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Bank's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements taken as a whole:

- present fairly, in all material respects, the financial position of the Bank and its subsidiary as at 31 December 2011, and their financial performance and cash flows for the year then ended in accordance with Accounting Standards for Financial Institutions in the Kingdom of Saudi Arabia issued by SAMA and with International Financial Reporting Standards; and
- comply with the requirements of the Regulations for Companies, the Banking Control Law in the Kingdom of Saudi Arabia and the Bank's Articles of Association in so far as they affect the preparation and presentation of the consolidated financial statements.
