

Dear Customer,

At SABB, we are always keen to enhance our service offerings to our customers.

That's why we have introduced the new electronic Credit Card statement available on SABBNET, providing you with the option to view, download or save statements from the last 3 months. These free e-statements spare you the delivery hassle of printed statements and enable you to review all transactions, the due date and your due amount, as well as reward points etc.

From now on, all customers registered with SABBNET will no longer receive printed statements. However, printed Credit Card statements are still available upon request. ICSABB certificates will continue to be sent to you.

To access your e-statements through SABBNET, please follow the following instructions:

1. Log into SABBNET using your account number and password.
2. Click on the link "Statements/Advices" on the left menu bar and access your e-Statement.

Best regards,

Ahmed Al Sudais
